Women Of The Press.

Those women legitimately connected with any department of the city or county newspapers of the State who desire membership in the Women's Press League of Kentucky, to be organized in conjunction with the Kentucky Press Association, which convenes at Middlesboro June 17 and 18, will please be present at that meeting or communicate with Mrs. Emily Walker Herr, Lexington, Ky.

The Republicans are in no measure responsible for a surplus in the Treasury at this time. The Government's revenue is due to Democratic legislation, and the only thing the Republicans can claim credit for is the heavy increase in importations, due to the anticipation of a high tariff. It is their fault if money now goes out faster than it comes in. —[Louisville Times.]

In reply to an inquiry from Senator, Lindsay as to why the word "only" after the words "tariff for revenue" had been omitted by the framers of the Chicago platform, Senator Tillman volunteered the information that "it was omitted purposely after discussion." —[Courier Journal.]

WHEEL NOTES.

Lines About Devotees Of The Wheel, At Home And Elsewhere.

Many bicyclists habitually leave their wheels where they will be exposed to strong sunlight. This will very soon take all the life and elasticity out of a tire and do it more damage than many thousand miles of hard riding would.

Maysville cyclists are kicking on account of persons flooding the streets when they sprinkle. Paris wheelmen are going to establish a ferry to pass in front of several business houses on Main street.

Fifteen United States Senators are enthusiastic wheelmen.

Theatrical And Otherwise—Remarks In The Foyer.

Paris will probably not be visited by the Mid-Summer Stock Company which will play ten weeks in Central Kentucky, visiting Frankfort, Lexington, Mt. Sterling and Winchester. The company will play one certain night each week in each city. Saturday night was selected for Paris but the arrangements were not perfected. Saturday night attractions have not, as a rule, drawn well in Paris. The Mid-Summer Company plays each Wednesday night in Lexington and the Frederick Bond Stock Company plays there each Saturday night.

Miss J. Russell Brown, daughter of Prof. Jas. Brown, formerly of this city, now of Cynthiana, was one of the graduates of the Cincinnati College of Music. There was one post-graduate—Mr. Carl Hahn, violinist, who has played to audiences in this city several times. Miss Brown won the Springer medal.

Boston understands how to deal with a theatre nuisance. The Council proposes to revoke the license of any theatre that permits either man, woman or child to wear a hat during the performance. That gets away with the Gainsborough and the Flower Garden.

With but feeble protests men have seen women appropriate our hats, coats, vests, shirts, collars, cuffs, neckties and knickerbockers, and now comes a report that modish Paris women are wearing socks. Of course it is at Paris, France—thank God.

like a dog's bark, is a sign that there is something foreign around which shouldn't be there. You can quiet the noise, but the danger may be there just the same. SCOTT'S EMULSION of Cod-liver Oil is not a cough specific; it does not merely allay the symptoms but it does give such strength to the body that it is able to throw off the disease.

You know the old proverb of "the ounce of prevention?" Don't neglect your cough. A book which will tell you more on the subject sent free on request.

MANY THINK!

when the Creator said to woman, "In sorrow shalt thou bring forth children," that a curse was pronounced against the human race, but the joy felt by every Mother when she first presses to her heart her babe, proves the contrary.

Danger and suffering lurk in the pathway of the Expectant Mother, and should be avoided, that she may reach the hour when the hope of her heart is to be realized, in full vigor and strength.

MOTHER'S FRIEND

so relaxes the system and assists Nature, that the necessary change takes place without Nausea, Headache, Nervous or Gloomy Foreboding of danger, and the trying hour is robbed of its pain and suffering, as so many happy mothers have experienced. Nothing but "Mother's Friend" does this. Don't be deceived or persuaded to use anything else.

"Mother's Friend" is the greatest remedy ever put on the market, and all our customers praise it highly. —W. H. KIRK & Co., Whitehouse, Tex.

A Railroad Official's Experience.

MR. EDWARD EDMONDS, long connected with railroad construction in Nebraska, writes: "My heart troubled and pained me for 19 years. Shortness of breath was the constant and most common symptom. Intense, excruciating pain, generally followed any severe exertion. Faintness, hunger without any appetite; fluttering that made me clutch my breast, and palpitation that often staggered me as if I would fall, were frequent attacks. Again, everything would turn black if I arose from a stooping posture quickly. Sleepless nights with their prostrating unrest were numerous and I could get no rest day or night. I consulted leading physicians and tried advertised remedies. They gave me no relief. One of Dr. Miles' circulars described my case so exactly that I took Dr. Miles' New Heart Cure and I am now a well man. I hope every one troubled with heart disease will try Dr. Miles' remedies. If they will write me personally, I will gladly give them full details of my experience." EDW. EDMONDS.
